SPECIALISTS IN MANAGED HEALTHCARE & PREVENTION

ANNOUNCEMENT

To All of our Clients, Patients and Friends

We are pleased to announce SpecialtyHealth Clinic at 330 East Liberty and Dr. Hall will be re-locating to the University of Nevada campus.

Our partnership with the University of Nevada Medical Schools is a great opportunity to provide our clients with more clinical space, more provider coverage, x-ray, lab services and physical therapy located in the same building.

SpecialtyHealth MCO will continue to provide managed care services at our current Reno location; 330 East Liberty, Reno and Dr. Hall will continue to be the Medical Director.

DETAILS:

WHEN: **Monday, November 4th** Dr. Hall will start seeing patients at the new location on the University of Nevada campus.

WHERE: Address of the new location: **101 E. Stadium Way** (link to map) <https://goo.gl/maps/AwyrXfdrHjex4Eg89>; plenty of patient parking.

WHO: Dr. Hall's practice will remain open to all current patients and will also be accepting new patients for both occupational, workers' compensation, and group health care. Dr. Hall will have access to his current patient records and will be bringing with him the current clinical staff (Yesi and Imelda).

Please come by for a tour of this beautiful facility, which can be facilitated by either Christopher George (Practice Manager) christophergeorge@med.unr.edu, or Andrew Wells (Administrator) danawells@med.unr.edu. Contact numbers for these lines of businesses are as follows: Workers' Compensation 775-784-1100 (beginning 11/4/19) or Group Health 775-784-1533
